PERSONAL SUMMARY

R. Raphali Andriantsimanarilafy is a herpetologist specialized on chameleon conservation

EDUCATION

University of Tulear, Department of Biological Sciences	2006-2007
DEA (MSc): 'Contribution to the study of the distribution and abundance of chameleons in the Tsingy de Bemaraha National Park'.	
University of Tulear, Department of Biological Sciences	2003-2004
Research Master in Animal Biology, Ecology and Conservation	
University of Majunga Faculty of Natural Sciences	2002-2003
Master in Natural Sciences	
University of Majunga Faculty of Natural Sciences	2001-2002
License in Natural Sciences	

EMPLOYMENT HISTORY

March 2016-present: Manager Species and Conservation Program at Madagasikara Voakajy

August 2012-March 2016: Project Officer at Madagasikara Voakajy.

September 2008- July 2012: Research Assistant at Madagasikara Voakajy.

November 2007-March 2008: Independent Consultant Biological inventory in Saint-Augustin and Soalara, southern Madagascar with SAGE Tulear

ESTEEM INDICATORS

I am member of the IUCN/SSC Chameleon Specialist Group. I was part of the team who did the Red List assessments of Reptiles in Madagascar (www.redlist.org).

TRAINING

2017	Training on Leadership and Management with INSCAE Madagascar
2016	Short course on R software with SCCS in Cambridge
2015	Training on Distance sampling method and Distance software with University of St. Andrews
2015	Training on wildlife trade and conservation
2014	Training on Project design with MTBA-TBA Allumini Madagascar
2013	Online training on CITES (CITES Virtual college on www.CITES.org)
2012	Basic training on Maxent with REBIOMA Madagascar
2011	Training on interpersonal communication with SEPA Madagascar
2007	Optimal utilization of Global Positioning System Madagascar (FTM) Madagascar
2006	Geographic Information System: Basis and applications with Arc View with FTM Madagascar

RESEARCH STUDENTS

I have co-supervised four MSc students during data collecting and analysis to completion and have two current students studying chameleon. I have also supervised three Professional License students from the Tulear University.

LANGUAGES

Native Malagasy, Fluent conversational French, Intermediate English
