

Curriculum Vitae

Rafael Barbizan Sühs, Biologist, M.Sc. Geoecology, Ecology Ph.D. candidate.

Biography

I was born in Carazinho, a small city in Rio Grande do Sul state, Brazil in 1987. In 2010 I graduated in Biology at the University of Santa Cruz do Sul, Brazil. From 2011 to 2012 I was an exchange student in Germany at the University of Tübingen, where I later did a master's degree in Geoecology (2012 to 2014). I then came back to Brazil in 2014 and from 2014 to 2015 I integrated the Brazilian Program to Biodiversity Research (PPBio). Nowadays (2015 – current) I am an Ecology PhD candidate at the Federal University of Santa Catarina.
