

PERSONAL INFORMATION

Hening Triandika Rachman

-  Bachelor of Biology at Yogyakarta State University
-  Balerejo , Madiun , Jawa Timur , Indonesia
-  Postal Code : 63152
-  +62857-3562-4986
-  heningtriandika@gmail.com
-  Male, 26 March 1994
-  Nationality : Indonesian
-  Personality : ISFP
-  Indonesiaodonata.blogspot.com
-  @hening_tr

WORKING EXPERIENCE

-
- 2016** [Vice Chairman Team of Rikhus Vektora](#)
Indonesian Ministry of Health
Gathering mosquitos and public health information in Lebak , Banten Province
 - 2017** [Vice Chairman Team of Rikhus Vektora](#)
Indonesian Ministry of Health
Gathering mosquitos and public health information in Kulonprogo , Yogyakarta Province
 - 2016** [Technician at UNY Internet Services LIMUNY](#)
Yogyakarta State University
Network and hardware maintenance
 - 2017** [Team Research of Filariasis Assesment In Buton Island](#)
Indonesian Ministry of Health
Gathering filariasis vecor in Buton , Southeast Sulawesi Province
 - 2018** [Team Research of Riskesdas](#)
Indonesian Ministry of Health
Gathering basic research health in Madiun , East Java Province
 - 2018** [Vice Chairman Team of Rikhus Vektora](#)
Indonesian Ministry of Health
Gathering mosquitos and public health information in Lingga , Riau Archipelago Province
 - 2019** [Biodiversity Assesment in Toba Samosir Lake, North Sumatra](#)
Perum Jasa Tirta I and Indonesia Dragonfly Society
Gathering data of Dragonfly, Butterfly, Birds, Reptile, Mammal and Plant in Toba Samosir
 - 2019** [Dragonfly Diversity at Mount Merapi National Parks](#)
Mount Merapi National Parks and Indonesia Dragonfly Society
Carry out surveys for dragonflies and compiling identification books
 - 2019** [Butterfly Scientist in Operation Wallacea England](#)
Operation Wallacea England
Carry out surveys for butterflies, assisting butterflies survey and data collection
 - 2020** [Second Survey of Dragonfly Diversity at Mount Merapi National Parks](#)
Mount Merapi National Parks and Indonesia Dragonfly Society
Carry out surveys for dragonflies and compiling identification book

RESEARCH

-
- 2012** Study of invertebrates Diversity in the Litoral Area in Gunung Kidul - Yogyakarta
 - 2013** Study of Distribution and Population Crested Serpent Eagle in Bawean Island
 - 2014** Study of Distribution and Population Green Peacock in Baluran National Parks
 - 2015** Impacts of Tourism to Dragonflies Diversities in Several Waterfall Yogyakarta
 - 2016** Study of Diversity and Populations of Dragonflies in Blok O Yogyakarta

RESEARCH

- 2016 Study of Diversity and Distribution of Dragonflies in Jombor Swamp Central Java
- 2016 Study of Diversity and Distribution of Mosquitoes as Vector Disease in Lebak, Banten
- 2017 Study of Diversity and Distribution of Mosquitoes as Vector Disease in Kulonprogo
- 2018 Study of Diversity and Distribution of Mosquitoes as Vector Disease in Lingga
- 2018 Study of Diversity and Distribution of Dragonflies in Nusakambangan Nature Reserve
- 2019 Biodiversity Assesment in Toba Samosir Lake, North Sumatera
- 2019 Dragonfly Diversity Assesment at Mount Merapi National Parks
- 2019 Biodiversity of Butterfly and Dragonfy in Buton Island, Southeast Sulawesi
- 2019 Life History and Ecology of Phytotelmata-Breeding *Pericnemis stictica* in Kulonprogo
- 2020 Study of Population, Distribution and Microhabitat condition of *Teinobasis euglena* in Alas Purwo National Parks. Collaborating with Bisa Indonesia Society

PUBLICATIONS

Journal Paper :

- a. Dragonflies Diversity (Odonata) In Menoreh Karst Central Java – Yogyakarta Available at <http://dx.doi.org/10.15242/ijaaee.u0516214>
- b. Compiling Dragonfly Species Guide Based On Dragonfly Diversity In Jombor Swamp Research available at <http://journal.student.uny.ac.id/ojs/index.php/pbio/article/view/8188>
- c. Biting Activities Of Filariasis Vector Mosquitoes In Buton District, South East Sulawesi Province on Malaysia Indonesia Brunei Medical Sciences Conference (MIB) 2019
- d. Life History And Microhabitat Condition of Phytotelm-Breeding Damselfly *Pericnemis stictica* in Jatimulyo Forest, Yogyakarta on International Conference and 10th Congress of the Indonesian Entomological Society, Udayana University, Bali 2019
- e. Book Writers Team - Toba Magnifica, Closer To A Celebration Of Toba Biodiversity 2019

CONFERENCES

- a. Indonesia Biodiversity Conservacy Conference at Yogyakarta State University 2012
- b. National Geographic Young Grant Conference at Indonesia University 2015
- c. 2nd International Conference on Advances in Chemical, Biological and Environmental Engineering 2016, Singapore
- d. 2nd Indonesian Dragonfly Jamboree at Islam Kalijaga University, Yogyakarta 2017
- e. Participant in Biotechnology Agriculture Conference and Health at Aisyiyah University, Yogyakarta 2018
- f. 3rd Indonesian Dragonfly Jamboree at 17 Agustus University, Banyuwangi 2019

ORGANIZATIONS

- a. 2 years in biology student association (HIMABIO UNY) as Information Media and Journalistic
- b. Technician at Yogyakarta State University student internet service (LIMUNY)
- c. Founder of Odonata Group Study (KSO) at Yogyakarta State University 2015
- d. Founder of Plant Group Study (HERBIFORUS) at Yogyakarta State University 2015
- e. Member of Biospeleology Studien Gruppen (BSG) at Yogyakarta State University
- f. Member of Students Mountaineering Club (ARWANA) at Yogyakarta State University
- g. Member of Indonesia Dragonfly Society (Now)
