

PHUB GYELTSHEN

Bumthang Forest Division,
DoFPS, MoAF, Bhutan

+975-17987133

gyeltshenforest@gmail.com

Extensive experience in biodiversity conservation and taxonomic research, with an outstanding ability to handle any challenges with positive attitudes. Highly motivated to learn and constantly strives for improvement. An experienced field botanist, wildlife enthusiast, and frequently uses statistical analysis tools like R, SPSS, PC-ORD, MaxEnt, and GIS in forestry research. I am looking forward to implementing and utilizing my skills and knowledge in the conservation and protection of wildlife and natural resources.

SCIENTIFIC JOURNAL PUBLICATIONS

- Tshewang, S., P. Gyeltshen, P. Zangpo, K. Sangay, T.B. Ghalley, T. Dendup & N. Shacha (2021). *phyllorchis montana* (Orchidaceae): A new record to the flora of Bhutan. *Bhutan Journal of Natural Resources & Development* 8(1): 29-33.
- Gyeltshen, P., S. Jamtsho, T. Phuntsho, P. Zangpo, D.B. Gurung & P. Kumar (2021). Additions to Orchid Flora of Bhutan-II. *Taiwania* 66(3): 415–426.

- Gyeltshen, P., D. Borah & A.P. Das (2019). *Sisyrinchium rosulatum* E.P.Bicknell (Iridaceae): new record of a naturalized species in Bhutan. East Himalayan Society for Spermatophyte Taxonomy. *Pleione* 13(1): 188 – 191.

SKILLS

- Statistical analysis.
- GIS survey and mapping.
- Identification of native plants of Bhutan.
- Wildlife photography.
- Excellent time and team management.

PROFESSIONAL EXPERIENCE

Bumthang Forest Division, Department of Forest and Park Services, MoAF, Bhutan
Forest Ranger (2013- present)

- Plant systematics and conservation.
- Sustainable forest management and utilization of forest resources.
- Conservation management outside protected areas.
- Community Based Natural Resources Management.
- Landscape management, nursery establishment, and forest plantations.
- Biodiversity survey and data analysis.
- Implementation and enforcement of forestry laws and other management regimes.

CERTIFICATE OF APPRECIATION

- Statistical Analysis Tools for Forest Research.
- SMART and Cyber Tracker for forest monitoring.
- Forest Acts and Rules (FNCA, 1995 & FNCR, 2006, amended rules 2008, 2010, 2012 & 2017.

EDUCATION

- Professional Diploma in Forestry, 2011June – July 2013, College of Natural Resources, Punakha, Bhutan.
- Class 11 & 12 (Bio-science), Khaling Central School, Trashigang, Bhutan.
