

CURRICULUM VITAE

PERSONAL INFORMATION

Name : Puji Lestari
Sex : Female
Date of Birth : 25 May 1998
Education : Master Candidate of Biology at Gadjah Mada University
Address : Paliyan, Gunungkidul, D.I. Yogyakarta, Indonesia
Postal Code 55871
Telephone : +62858-7927-7867
Email : puji.lestari250398@gmail.com
Nationality : Indonesian
Instagram : @pujelll

WORKING EXPERIENCE

2017 – Member of Dragonfly Research Team

Faculty of Mathematic and Natural Science of YSU
Data collection of mosquito and dragonfly in Biology Garden, Yogyakarta

2018 – Team Leader of Dragonfly Research Team

Faculty of Mathematic and Natural Science of YSU
Manage team and data collection of dragonflies

2019 – Team of Dragonfly Research

Faculty of Mathematic and Natural Science of YSU
Survey team of *Pericnemis stictica* breeding behavior at Jatimulyo, Yogyakarta

2020 – Elementary School Teacher

Salman Al Farisi Elementary School
Teacher

2020 – Team of Dragonfly Research

Faculty of Mathematic and Natural Science of YSU
Survey team of dragonfly diversity at Kedhung Kandang Waterfall, Yogyakarta

RESEARCH

2017 – Study of invertebrates Diversity in the Litoral Area in Gunung Kidul- Yogyakarta

2017 – The Correlation of Dengue Vector and Dragonfly Abundance in Biology Garden of YSU – Yogyakarta

2018 – The Development of Quartet Card using Dragonfly Diversity in Yogyakarta

2018 – Study of *Copea marginipes* mating behavior at Dengung River, Yogyakarta

2019 – Study of dragonfly diversity in Sri Gethuk Waterfall, Yogyakarta

2020 – The Development of Android Based e-Modul Using Dragonfly Diversity in Sri Gethuk Waterfall – Yogyakarta

2024 – Prey Identification of Dragonfly use DNA Barcoding as Potential Malaria Vector Controller in Menoreh Area

PUBLICATION

The android-based e-module development about dragonfly diversity around sri gethuk waterfall as biodiversity teaching material for Xth Grade of Senior High School – Available at <https://doi.org/10.61511/ajcsee.v1i1.2023.161>

CONFERENCES

2016 – Indonesia Biodiversity Conservation Conference at Yogyakarta State University

2017 – Indonesian Etnoecology Talkshow at Gadjah Mada University

2020 – Indoneisan Zoonosis Talkshow at Gadjah Mada University

ORGANISATION

2017 – Treasurer of Odonata Study Club of YSU

2017 – Member of Plant Study Club (Herbiforus) of YSU

2018 – Research and Development of Odonata Study Club of YSU

2024 – Member of Endemic Indonesia Society
