

## Daniel Eugenio Ramos Gutiérrez, M. Sc.

---

### PERSONAL INFORMATION

Place and date of birth: Bolivia, April 20<sup>th</sup> 1984  
Email: dan.ramosgutierrez@yahoo.com  
Phone: (591-3) 71668781 / 33903060

### EDUCATION

M. Sc. Biodiversity in tropical areas and conservation, 2012  
Menendez Pelayo International University, Spain  
Indoamerica Technological University, Ecuador

B. Sc. Biological Sciences, 2008  
Gabriel René Moreno University, Bolivia

Graduate Course Tropical Ecology and Conservation, 2013  
Costa Rica, National University  
Organization for Tropical Studies (OTS)

### RESEARCH EXPERIENCE

Biogeographic regions in Bolivia generated from amphibians database. Are consistent the patterns currently accepted? Master in Science Thesis. Menendez Pelayo University. 2012

Rescue and relocation of river dolphins (*Innia boliviensis*) in the Rio Grande Basin, Santa Cruz - Bolivia. Noel Kempff Mercado Natural History Museum. August 2010

Comments on the conservation status of Endangered Species Yunganastes ashkapara (Amphibia: Anura). Red Book of vertebrates in Bolivia 2009.

Ecology and conservation of endemic anuran community in bioclimatic mesotropical zone in the Amboró National Park. Bachelor in Science Thesis. Gabriel René Moreno University, Bolivia. 2007 - 2008.

Habitat Preference and determination of potential threats to the conservation of Elder Parrot (*Amazona tucumana*) in Bolivia. Gabriel René Moreno University. September - November 2006.

Technician of the Herpetology department, Zoology Area. Noel Kempff Mercado Natural History Museum. 2003-2006.

Field Assistant in the Ph. D. thesis: Systematics and biogeography of the genus *Eleutherodactylus* in Bolivia. Carrying out by José Padial, University of Granada - Spain. 2003.

## **WORK EXPERIENCE**

Biologist in conservation project: Ecology and population density of *Cuniculus paca* in protected dry tropical forests (VRSMC-PACOCHÉ) and non-protected Flavio Alfaro, Manabí. Dept. Research, University Eloy Alfaro of Manabí, Ecuador. August - December 2012.

Biologist in project: Andean Tapir (*Tapirus pinchaque*) Conservation Program in the Cayambe Coca Ecological Reserve and Antisana National Park. Ecuadorian Foundation For Ecological Studies - ECOCIENCIA, Ecuador. January - July 2012.

Biologist: Management Plan for the sustainable use and management of the species *Amazona aestiva*. Owen Wildlife Resources Company SRL. September-October 2011.

Field Assistant in the project: Population study of *Caiman yacare* in six indigenous communities of San Matías town. Amigos del Museo Noel Kempff Mercado Foundation. June 2009 - January 2010.

Field Assistant: Monitoring of experimental harvest of *Caiman yacare* in San Matías the Natural Management Area. Bolivian Association for Conservation. September - November, 2008.

Consultant in the project: Conservation through borders of *Amazona tucumana* in Argentina and Bolivia. Foundation for the conservation and study of biodiversity. September – October 2007.

English Teacher. Basic English course for indigenous communities in Amboró National Park. PROBIOMA. Santa Cruz - Bolivia. May-June 2007.

Consultant: Specific environmental management plan for the construction of an airstrip in Izozog Indigenous territory. Natural History Museum Noel Kempff Mercado. October 2005.

Consultant: Biodiversity Key Areas for Conservation in Bolivia. Armonia-Birdlife Association. November 2004.

## **PUBLICATIONS**

Ramos, D. & Gonzales, L. 201X. New department record, *Pristimantis ashkapara* (Amphibia: Anura: Strabomantidae). In the peer-reviewed journal Herpetological review. In press.

Llobet, A., Gonzales, M., Ten, S., Garcia, V., Shah, V., Severiche, J., Zambrana, M., Quillen, J. & Ramos D. 2009. Sustainable use of caiman (*Caiman yacare*) in the Management Natural Area San Matías. Santa Cruz - Bolivia.

Azurduy, H. L. Gonzales, Hang F., & Ramos, D. 2005. Environmental Impact Assessment on the activities of clearing for the construction of the runway Izozog.

## **RESEARCH AWARDS**

Scholarship to attend Master in Science Program "Biodiversity in tropical and conservation" Menéndez Pelayo International University, Spain. 2010 - 2011

Conservation Leadership Program Award (CLP). Alder Amazon Project: Conservation through borders (Argentina and Bolivia). 2008

3rd place in the science fair "Expociencia" Gabriel René Moreno University. Scientific Research. October 2008.

IDEAWILD. 2008, 2006

IV Scholarship Program "Werner Hanagarth" Conservation International - Bolivia and Endangered Species Initiative (IEA). 2006.

## **COURSES**

Management plans for the use of wildlife in Bolivia: Experiences and lessons learned. IX International Congress of Wildlife Management. May 10 – May 15, 2010.

Photography Workshop "Travel and Nature". School of Communication Studies Diakonia. December 2008.

Amazon Ecosystems and Global Change. Organization for Tropical Studies - OTS. Peru, August 26 - September 22 (280 hours academic) 2007.

What to see when we look tadpoles? Miguel Lillo Foundation - Argentina. Santa Cruz - Bolivia. March 28 to 30, 2007.

Introduction to scientific technical communication. Wildlife Conservation Society - WCS. Santa Cruz - Bolivia. March 28 to 30, 2007.

Tropical Ecology and Experimental Design. Amazon Conservation Association (ACA). Madre de Dios - Peru. February 20 to March 6, 2006.

Crocodylians Management in Bolivia. Wildlife Conservation Society - WCS and Noel Kempff Mercado Natural History Museum. September 22 to 24, 2005.

Biological Conservation Funds in Bolivia. Glasgow University - Scotland, issued in Santa Cruz - Bolivia. 1 to 2 August 2005.

Conservation of threatened Andean tropical amphibians. Atelopus Initiative. San Martin - Peru. February 25 - March 4, 2005.

## **CONFERENCE - WORKSHOPS**

1st National Meeting "Building a future for Elder Parrot (*Amazona tucumana*) in Austral Yungas". Armonía-Birdlife. Santa Cruz - Bolivia. May 20 to 21, 2010.

IX International Conference on Wildlife Management in Amazonia and Latin America. Oral and poster presentation. Santa Cruz - Bolivia. May 10 to 15, 2010.

The strategy in Latin American zoological institutions to contribute to the social transformation. American Association of Zoos and Aquariums - ALPZA. Santa Cruz - Bolivia. 23 to 25 April 2008.

V National Congress of Biology. Santa Cruz - Bolivia. March 28 to 30, 2007.

#### **FIELD SKILLS**

First Aid Instruction. Technological Institute of the Ecuadorian Red Cross. 2010

Driver's license, Professional Category.

Swimming, horseback riding, hiking.

#### **SOFTWARE MANAGEMENT**

Geographic Information System: ArcView 3.2, ArcGIS 9.3, Spot, Maxent 333.b

Statistical: SPSS 15, Statistica 8

Graphics and sound processors: Adobe Photoshop CS5, Illustrator CS5, Soundbooth CS5
